**Medical Intuitive, Spiritual Life Coach and Creator of My Liquid Fish™  
Change made simple™**

Jimmy Mack believes that all change begins and ends with us working on ourselves and that everything is energy. He has the ability, and he teaches others, how to get a clear answer on whether our energetic frequency is vibrating at a YES or a NO when testing out a specific statement of belief. Once we have that information, we then have a direction to create change. The real power is not in asking the question, it's in the ability to actually change beliefs by shifting the energy and Jimmy has developed and teaches this proven technological method for creating change made simple called My Liquid Fish™.

**Jimmy is available for guest speaking engagements including radio, podcast and telesummit interviews as well as live presentations.**

## OFFICIAL BIOGRAPHY

Jimmy Mack is a renowned medical intuitive and spiritual life coach who has had decades of working with clients and pets around the globe on a wide range of challenges, diseases, and disorders. He has practiced a variety of modalities over many years including: Reiki Master; Psychic Development courses; Remote Viewing; Ascension with the Monks; ThetaHealing®; Access Consciousness®; Reconnective

---

Healing®, and various courses in The Yuen Method®. He is also a Certified Practitioner in Matrix Energetics® and a Certified Shaman with a Doctorate in Divinity. After a near-death experience (NDE) in ICU changed his life forever, Jimmy is now gifted with the increased ability to read people's energy fields and access outer realms and frequencies. He was divinely shown and then developed a simpler way to create healing and profound transformational changes now known as My Liquid Fish™ Change made simple™. He's melded all these experiences and what he considers "the best of the best" into what he now practices and teaches to clients and practitioners worldwide in person, on the phone and over Skype accessing energetic powers and co-creating changes that you can actually feel. He is the author of 9 books, over 30 energetic clearing and healing audio MP3's on a variety of self-improvement topics as well as hosting a weekly radio show called *The Jimmy Mack Healing Show* for over 5 years.

## EXTENDED BIOGRAPHY

Jimmy Mack underwent an operation several years ago and ended up in the Intensive Care Unit for several days. His life was on the edge - it was a coin toss, touch and go for awhile, and could have gone either way. During those three life-altering days in the ICU, Jimmy saw colorful portals like the images he uses on his website and book covers, sights and sounds and beings not of this world in blazing detail. What he experienced, what he was shown and the gifts he was given during his own health crisis, changed his life forever.

Jimmy has long been fascinated with psychic phenomena, astrology, numerology etc. He graduated from The University Of South Florida with a BA degree, but not before discovering spiritualist churches and realizing that he wanted to learn more.

As a result of his NDE event, Jimmy became more in touch with himself and with God. He's been "reconnected" and is more intuitive than ever before. He found that the real power was not in being intuitive and predicting people, places and things, but in actually assisting them in changing outcomes and creating shifts that were previously

---

considered impossible. Jimmy realized that nothing is by chance, except the fact that he was given a second chance and shown how to greatly enhance his abilities to spiritually and energetically heal himself and help others heal as well. As a result of seeing, hearing, feeling and basking in the great beyond off and on for nearly three days, Jimmy was given the power and gifts to bring the ethereal rain.

He continues to work on himself and others who are searching for relief and life improvement. He not only has a real passion and drive for helping people achieve their goals and experience comfort, relief, and real life changes, but he is always eternally grateful for real results as documented with the hundreds of testimonials received.

Jimmy has authored 9 books including *The Tackle Box* which offers simple and detailed instructions for how to use his recently developed technological method for creating profound change called My Liquid Fish™ Change made simple™. Additionally, Jimmy teaches this method to his clients who use it to experience energetic shifts remarkably fast and he also offers a My Liquid Fish™ Change made simple™ [Mastery Certification and Practitioner Certification program](#).

*"I've heard some amazing stories and I've seen it in my own life, actually just playing with this silently on your computer you will see shifts in your abundance. **In our own You Wealth Revolution and what we've been doing, we have used this to see some big increases in people just coming into our world and into the programs. It's pretty amazing.** And the one experiment that I did, it literally happened within a few moments of playing "The Gold Coin" activation. I want to share that everyone is going to be different, but that was just a pretty interesting thing about that. Jimmy goes through hundreds and hundreds of clearings but like he says, they can be attached to very very distant, discordant, frequencies, ideas and belief systems so you could be pulling up through one belief system - thousands. **So take a look at Jimmy Mack's work, it's so unique and amazing.**" - Darius Barazandeh (Testimonial transcript from Darius' video)*

"I was really sick with respiratory problems with mild fever for several weeks, then I had a private session with Jimmy. Magic happened. I told him about my symptoms. My breathing was not normal. He went into treatment. **In about a minute I was able to breathe deeply and my voice became stronger instantly.** Jimmy told me I had an emotional blockage in my lung. ## **“TRIPLE HEADER SUCCESS”**

*"Healing with Jimmy Mack is a Rewarding Delight. **First I asked Jimmy to heal the gum disease I had suffered with for years. Jimmy sent HEALING ENERGIES, then the week after Jimmy's session, I went in for my dental check up my dentist announced, no more gum disease! In fact this is my best check up.***

***Second, I asked Jimmy to heal my hair that had been falling out in clumps for months. Jimmy said I inherited this pattern from my paternal Grandfather. Jimmy sent HEALING ENERGIES - IMMEDIATELY my hair stopped falling out.***

***Third, I lamented to Jimmy how I lost my job in March due to Coronavirus. I have been applying since March for unemployment, but I had only sustained delays and obstacles. I asked Jimmy to send Healing Energies to my Claim and within days my claim miraculously was approved! I received ALL retroactive pay due to me \$13,640. I was crying for 1/2 hour thinking how much I had suffered financially since March.***

***When I asked JIMMY MACK For HELP...MIRACLES MANIFESTED. I am grateful grateful for Jimmy. He is our angel on Earth helping us all." - Mimi M. / North Carolina***

*"I had an amazing session with Jimmy Mack that was like 20 years of counseling in an hour. We cleared stuff with my abusive ex who vowed to bankrupt me and ruin my credit. I tried to apply for a car loan but something he put on my credit 6 years ago wouldn't allow me to get a loan. I tried to refinance and they told me I had to payoff \$14,000 and then \$4,000 to clear my credit. I got on the phone again to try and resolve this, a very frustrating experience on prior calls, but at the last minute I remembered what Jimmy taught me. I hung up the phone and cleared this debt. It took being transferred 20 times until I got to a person who told me the debt was cleared and I didn't owe anything! It was amazing and renewed my faith in God who I believe had forgotten me because my ex always seems to win." - May Lee / Hawaii*

*“Before I met Jimmy I was given tons of advice from many people, very little of it made a difference. Feeling like something was wrong and like I was on my own in dealing with it. **I became a very intense, “Don’t mess with me or get in my way, kind of guy.”** When Jimmy tried to make a difference he was dealt with by an asshole (me) telling him, “Don’t tell me how to think!”. Over time he got through to me. **I went from being handed a fish here and there, to learning how to “FISH”. My entire life transformed.** I went from my circumstances having me, to me having them. I understand that to live a big life means challenges and now I have power, freedom, and peace of mind in all that I deal with.” - **Jamie Limbaugh / Tampa***

*“Thank you Jimmy. Your work continues to help me trust that Spirit has my back and that **even when it seems like there are setbacks it’s actually the stars falling into alignment on my behalf so I can achieve the perfect outcome.** I’m learning patience and to live in Spirit time without so much anxiety about the outcome as in the past..... just keeping on fishing and knowing “yes” means YES!! ” - **Erica B. / Australia***

*"Hi Jimmy, I wanted to write & share my experience of my session with you ~ and to THANK YOU! After my friend raved about how amazing she felt at the end of her appointment ~ I was left feeling not much at all and a bit ho hum at the end of my appointment. However, being a powerful Healer myself ~ I know that feeling awesome is not always the best indicator of a great appointment ~ so I stayed open & kept asking for the miracles to show up. WELL.... I may NOT have felt amazing but I would have to say I had the most amazing results I have ever had from an appointment from another Healer. **Within 3 days ~ I found \$45,000 I did not know I had ~ and a week later a new \$1000 client found me in the most interesting way ~ which had not happened for years.** So to say I am happy with my appointment with you Jimmy would be an understatement! I am ecstatic I will definitely be in touch again should I feel I want/need to go deeper. Thank you & richest blessings." - **el Ma Ra / Australia***

*“Dear Jimmy, I just wanted to thank you again for the work we did on Monday. It really turned me around. I am myself again. **The work that you do is so simple and therefore can be deceptive. But it's really super potent and powerful and affects change.** Many many best wishes and bright sunny blessings.” - P.N. / New York*

*“I am most grateful for Jimmy Mack!! For decades, I have worked with numerous dozens of healing practitioners often working on the same issues over and over ...without a final resolution. When I ‘discovered’ Jimmy Mack, I dropped the 8 healers I was then currently working with. **He surpassed everyone’s capabilities and is truly effective!** Every healing session I have with Jimmy, I realize how fortunate I am. With each healing/fishing session, I actually log and experience REAL PROGRESS REAL IMPROVEMENTS in mine and my family’s lives. I am immensely grateful, fortunate, and blessed.” - Mimi M./ North Carolina*

*“I found Jimmy at a time in my life when I needed a miracle. I was diagnosed with Ovarian Cancer stage 4. I went from near death to completely cured in just one year. Jimmy was a huge part of my healing from cancer. After just one session I realized I needed to make Jimmy an integral part of my healing. Jimmy helped me identify and clear any limiting beliefs, fear or doubt so that I could experience the clarity , focus and peace of mind I needed in order to get my health back. **Sessions with Jimmy helped to drop my pain to zero, reduce and clear tumors, cleanse my body of toxins, and transform any fear and doubt into inspiration and confidence.** The best part of working with Jimmy is results are quick and long lasting. **I accomplished more in one session with Jimmy than any other healing therapy I have experienced.** Jimmy played a huge part in creating the miracle of where I am today. He is truly gifted. I wholeheartedly endorse and recommend Jimmy's work.” - S.C./ Wisconsin*

*“If someone told me the profound and noticeable changes that would take place in my life once I started working with Jimmy Mack, I would have laughed and said no way, that’s impossible! **In the week after we worked together for the first time, I began noticing changes in the attitudes of people around me, shocking changes.** The*

---

changes were smallish to begin with and they continued to grow and eventually my dreams began to manifest in front of my eyes. **Today, I am living in my brand new home in paradise, less than a mile from the beautiful Gulf of Mexico, working at my ideal job, I surround myself with wonderful people and in short, life is good.** I am spending more quality time with my son, I am enjoying ideal relationships, my life is full of abundance and grace, I have perfect health with lots of energy, vitality and stamina. On top of all this, I feel blissful and at ease. All of this, I owe to Jimmy Mack- Thank you for making my life incredible and complete.” - **A.S. /Florida**

I have read the book and I work with the Liquid Fish every single day - it is so much fun, it brings so much joy and I feel so grateful for this gift!!!** Sometimes the pure divine simplicity and the intensity of the energy by simply drawing the fish is overwhelming.... Sorry, I don't have enough English words to express my feelings, my joy, my gratitude..... Now I would really like to learn more and go into it on a deeper level. Please let me know. Thank you so much.” - **E. L. / Austria**

“What can I say - **I have done sooooo many different types of healings....you name it - I've pretty much done it, yet I have NEVER found someone like Jimmy Mack!** Truly this man is one amazing and talented healer.
